

Cladrastis kentuckea 'Rosea' Pink American Yellowwood

Zone: 4-9

Height: 40'

Width: 50'

Cladrastis kentuckea 'Rosea' almost exactly the same tree as Cladrastis kentuckea. The only difference is that 'Rosea' has pink hued flowers. They are quite lovely and fragrant to boot. The tree is covered in spring. Robinson Nursery offers 'Rosea' as bare root whips and branched trees
