

Malus 'Royal Gem' - Royal Gem Crabapple

Zone: 3-7

Height: 5'

Width: 8'

Exposure: Full sun
Form: Round and compact
Growth: Slow
Soil: Adaptable
pH: Adaptable
Drainage: Good drainage
Drought: Resistant once established
Breakage: No
Disease: Resistant

Another super little tree for grafting on a standard. Red flowers, dark red fruit, bronze/green foliage and yellow fall color. The flower is rose red and 3/8" persistent fruit is dark red. Very disease resistant. Grafted on 42" standard.
