

Welcome to the Team Adam McClanahan!

We are very excited to introduce to you the newest addition to the Robinson Nursery Team.

Meet Adam McClanahan.

While watering plants for a local garden center at the age of 15, the seed was planted, so to say, and Adam's journey into the plant world had begun. Following his passion, Adam completed his education in Horticulture and Landscape Design.

Before he found his way to the nursery-side of the industry, Adam spent a few years in golf course construction. He also, was a tree climbing Arborist.

Adam has spent the last 25 years traveling extensively; working with nurseries throughout the country. The first 12 years were spent as Green Goods Purchasing Manager. The last 13 years, as a Field Representative and Salesmen for Carlton Plants and, through the acquisition by Bailey Nurseries. Adam is an Ohio Certified Nurseryman, past member of the ONLA Board of Directors, past member of the KNLA Board of Directors, former president of the WCCC Horticulture Advisory Committee, and he has sat on numerous other trade committees. Adam also holds a seat on the Warren County Board of Health.

Adam joins the Robinson family as a National Field Representative. He will be working across multiple territories and alongside many of our Sales Representatives as a Brand Ambassador with a strong focus on customer service, production, and brand development. He brings to the team an extensive amount of plant knowledge, as well as a vast understanding of proven production methods.

Born and raised in southern Ohio, he and his wife Jennifer have raised three children: a son, Sam (19) and two daughters, Mickey (23) and Kristen (30). In February, Adam and Jennifer welcomed their first granddaughter. In addition to his devotion to his family and his passion for plants, Adam enjoys kayaking, hiking and cooking.

Please join us in welcoming Adam McClanahan to the Robinson family. Adam can be contacted by phone: 937.313.0027 or by email: adammc@robinsonnursery.com
