

Growing People and Plants to Change the World.

INTERNSHIP PROGRAM

Robinson Nursery is a second generation, family-owned and operated, wholesale shade and ornamental tree grower. We prioritize continuous improvement & value every individual in every process.

This summer, be a part of an innovative, inclusive team that values your contributions and is here to help you grow.

The Green Industry is the fastest growing sector in Agriculture and Oregon is one of the top three nursery production states in the U.S.

Seize this opportunity to learn from some of the best in the industry.

WHEN: June – September
(Determined by student's schedule)

WHERE: In the beautiful Willamette Valley,
just south of McMinnville, Oregon.

PAY RATE: \$19.82 an hour
(Subject to current Oregon Adverse Effect Wage Rate)

Follow Robinson Nursery, Inc.
