

## Quercus x Kindred Spirit®

## Hybrid Oak 'Nadler' PP17,604

Zone: 3

Height: 35'

Width: 6'

Crown: Narrow, upright

Growth: Fast

Soil: Clay, loam, sand

pH: Acid, slightly alkaline

Drought: Fairly tolerant

Drainage: Well drained, some wet

Kindred Spirit® is a fairly new hybrid of *Quercus robur fastigiata* and *Quercus bicolor*, introduced by Earl Cully from Heritage Trees.

It is said to have a beautiful dark green top leaf and silvery bottom leaf which is powdery mildew resistant. It also has resistance to wind or ice damage and hybrid vigor. But most of all, it is columnar. A Kindred Spirit® tree is 35' x 6' at 30 years of age. This tree is narrower than its sister, *Q. Regal Prince*®. This tree, being a progeny of Swamp White Oak, can take a very moist site as well as drought situations. Robinson Nursery offers *Quercus Kindred Spirit*® as bare root whips, branched trees, and #3 Grow Ready™ liners.
