7' Wh

Ulmus Princeton

9' Wh

\$8 net + royalties

Jake & Lilli - 3rd Generation

Ready Set Ship

The sun is shining out my window as I write this. After a few days close to 50° the forecast is for mid 20's later this week. Plants are starting to be active in the field and any additional digging will need to be done in the next 10 days or so. There is still a good selection of plants available for spring planting.

Next Generation

It is a pleasure and a dream come true to have my two sons working at the nursery. Chris and Josh both graduated from Linfield College in 2008 with business degrees and began working full time at the nursery. In addition to taking care of inventory, grading and shipping, Chris will now be helping to schedule your trucks. Josh has moved to inside sales and customer service. Josh will be at all of the trade shows we attend. Both Chris and Josh will be traveling with our sales people this year and look forward to meeting you and hearing your feedback.

We look forward to the next generation taking the nursery to the next level. It's been our pleasure to work with you and help supply your plant needs since 1984. We hope to continue for another 27 years and beyond!
