## UPCOMING DATES

---

The 2018 Farwest Show is approaching quickly! This year's theme is one we hope you will consider, "Meet Me There". The Farwest Show is the Biggest Green Industry show in the West. Three days packed full of demonstrations, information, great plant material, and invaluable networking. Not to mention, a surprising amount of fun.

The Farwest website makes planning your trip easy! You can view more information on speakers, schedules, and even book an official show hotel at [www.FarwestShow.com](http://www.FarwestShow.com). Be sure to take advantage of discounted early bird registration (available until July 31).

While you are in the area, we would love to have you visit us. For your convenience, we have tour times available Monday through Friday and we are happy to arrange a tour that fits your schedule. You might be interested in an event organized by the Oregon Association of Nurseries (OAN) that tours much of Oregon's renown growing region. Tuesday, August 21st is Tour Day and Robinson Nursery will be one of the stops on the tour. It is always such a pleasure to share what we are doing.

If you are interested in scheduling a tour of Robinson Nursery please contact our office at 503.835.4533  
If you would like to participate in the OAN's Tour Day, you can register at [www.FarwestShow.com](http://www.FarwestShow.com)
